Foreword

The full text of this Standard is mandatory.

This Standard replaces GB 16565-1996 "Hygienic standard for fried food."

Compared with GB 16565-1996, main changes of this Standard are as follows:

- MODIFY the standard text format according to GB/T 1.1-2000;
- MODIFY The structure of the original standard. ADD the food additives, hygienic requirements, packaging, signs, storage and transportation requirements of the production process;
- The name of standard is revised to "Hygienic standard for fried food".

From the date of implementation of this Standard, GB 16565-1996 shall be abolished simultaneously.

This Standard was proposed and shall be administrated by Ministry of Health of the People's Republic of China.

Main drafting organizations of this Standard: National Institute for Nutrition and Food Safety of Chinese Center for Disease Control and Prevention, and Beijing Sanitation and Anti-epidemic Station.

Main drafters of this Standard: Han Yulian, Song Fengying, Han Hongwei, Huang Pei, Zheng Wenzhen, Liang Jin, and Zhang Zheng.

The previous versions of the standard replaced by this Standard are as follow:

- This standard was first-time released in 1996.

Hygienic standard for fried food

1 Scope

This Standard specifies the indicator requirements, food additives, hygienic requirements, packaging, signs, storage and transportation requirements of production process and inspection methods of fried food.

This Standard applies to all kinds of stereotypes-packaged snack foods which use wheat flour, rice flour, beans, potatoes, vegetables, fruits and nuts as main raw materials, and which are processed by deep frying according to certain formula.

2 Normative references

The provisions in following documents become the provisions of this Standard through reference in this Standard. For dated references, the subsequent amendments (excluding corrections) or revisions do not apply to this Standard, however, parties who reach an agreement based on this Standard are encouraged to study if the latest versions of these documents are applicable. For undated references, the latest edition of the referenced document applies.

GB 2760 Hygienic standards for uses of food additives
