Industry Standard of the People's Republic of China

Wheat Germs (Germ Flakes, Germ Flour)

LS/T 3210-1993

1 Subject content and application scope

This Standard specifies wheat germ's (germ flakes, germ flour) quality standard, inspection rules, test methods, packing marks and packaging, transportation and storage.

This Standard is applicable to processing, sales, distribution, storage and export of commercial wheat germ (germ flakes, germ flour).

2 Normative references

GB 1351 Wheat

GB 5490 General rules of inspection grain - Oil seeds and vegetable oils

GB 5491 Inspection of grain and oilseeds - Methods for sampling and sample reduction

GB 5497 Inspection of grain and oilseeds - Methods for determination of moisture content

GB 5505 Inspection of grain and oilseeds - Methods for determination of ash content

GB 5507 Inspection of grain and oilseeds - Methods for determination of fineness degree of flours

GB 5508 Inspection of grain and oilseeds - Methods for determination of sand content of flours

GB 5511 Inspection of grain and oilseeds - Methods for determination of crude protein

GB 5509 Inspection of grain and oilseeds - Methods for determination of magnetic metals content of flours

GB 5510 Inspection of grain and oilseeds - Methods for determination of fatty acid value of flours

GB 5492 Inspection of grain and oilseeds - Methods for identification of colour, odour and taste

GB 2715 Hygienic standard for grains

GB 5009.36 Method for analysis of hygienic standard of grain

GB 7718 General standard for the labelling of foods

3 Product classification

Products are classified into flakes, coarse grains and flours, based on shapes.

4 Technical requirements

Wheat germs (germ flakes, germ flour) are graded based on processing degree and crude protein content. The quality indicators are shown in Table 1.

4.1 Quality standard

Additional explanation:

This Standard was proposed by and under the jurisdiction of Ministry of Commerce of the People's Republic of China.

This Standard is responsibly drafted by Shanghai Flour Company.

Main drafters of this Standard are Yang Runzhu and Wang Min.
